

LUTHERAN OFFICE of PUBLIC POLICY - CALIFORNIA

The Lutheran Office of Public Policy represents the coordinated witness of the Evangelical Lutheran Church in America (ELCA) on issues of public policy in the state of California. In addition to our presence on legislative matters, we provide education and networking for our 400 ELCA congregations across the state. We work hand in hand with other faith-based and secular groups seeking peace and justice.

Our work is guided by the social statements of the ELCA. These statements are teaching and policy documents. Statements result from an extensive process of participation and deliberation and are adopted by a two-thirds vote of an ELCA churchwide assembly and are available at www.elca.org.

Donations to the LOPPCA support activities such as Lutheran Lobby Day, when Lutherans from all over California meet with California Legislators and discuss their passions and concerns.

At the end of June, St. Stephen's will forward your donations!
